## Jacey Ritzert already in top ten scorers

**By Steve Joos**  
 The Mount Vernon girls' basketball team got a big win Tuesday and one of its key players made history in the process.  
 The Lady Cats jumped out to a 19-9 lead after the first quarter and took it from there to pound visiting Tecumseh 64-34, and Jacey Ritzert broke into the top 10 all-time among Mount Venon scorers, while leading a balanced attack with 14 tallies.  
 "That's a big plus for (Ritzert)," coach Steve Mitchell said. "We're really excited for her and she's going to continue to move up. She has another year-and-a-half to go to move up even further."  
 Ritzert had a good night and the rest of the Lady Cats stuck to the gameplan that has been successful over much of the season to pull away from the Lady Braves.  
 "Our pressure got to their

young guards," Mitchell said. "We got some points off our defense, which is the way we like to play."  
 Since Mount Vernon doesn't have much size, the team has to play a strong transition game and let their defense generate offense. And that's what happened, as the Lady Wildcats took advantage of Tecumseh's inexperience for the early lead and then stretched it to 34-14 in the second quarter before the Lady Braves drained consecutive three-pointers to make the halftime score 35-20.  
 In the third quarter, Mount Vernon opened with an 8-2 run which made the score 43-22. It was 47-28 entering the last eight minutes.  
 The Lady Cats pulled the press off after the first quarter, but went to an attacking style which hampered Tecumseh's 1-3-1 zone. They also did just about everything well for Mount Vernon

against a Tecumseh squad that Mitchell complimented for playing hard despite being undermanned.  
 The win was Mount Vernon's third straight after a series of rough outings on the road. Mitchell said that the team is playing better and has its confidence back. He was also pleased with the contributions from the team's reserve players.  
 Jade Dixon scored 11 points before suffering a stretched meniscus on a layup early in the second quarter. Lauren Stemple added nine points, Megan Randall eight and Amy Seifert seven. Charlotte Roberts put in six points, Shelby Ritzert five and Ellen Foster four.  
 Auriel Tribble and Katie Burkett each scored 12 points to lead Tecumseh.  
 Shelby Ritzert scored nine points in the preliminary, leading the Lady Wildcat reserves to a 27-16 victory.

New Harmony Town & Twp Con Sch  
 New Harmony School  
 FY2011 Goals for Expenditure Categories  
 Increases in the student instructional expenditure categories of (1) student academic achievement and (2) student instructional support are not possible due to the unique circumstance that the New Harmony School Corporation has experienced a decline in enrollment over the past five years. Because of this, the teaching staff was reduced at the end of the 2006-2007 school year. The corporation has switched to the state health insurance plan saving both the corporation and the staff money. The corporation is leasing a room to the Head Start Program thus bringing in more revenue. This has overall made the corporation more efficient.  
 The New Harmony School Corporation will continue to seek ways to decrease spending in the expenditure categories of (3) overhead and operational expenditures and (4) nonoperational by always seeking competitive pricing for all supplies purchased for the building, transportation and food services. The corporation will work with area corporations on purchases and services. The corporation has installed a two-boiler system during the summer of 2007. The design of the system and the efficiency of the boilers has resulted in energy savings. The corporation is working with a control system to monitor energy use in both the heating and cooling systems. Energy efficient lighting has been installed during the spring of 2008. The corporation has decreased the number of miles the buses travel on regular routes. The corporation has paid off all debts on the building. The corporation continues to study ways to save on costs in every spending area.
