Mount Vernon Works Board handles routine matters, reorganization in year's first meeting

By Pam Robinson

The Mount Vernon Board of Public Works and Safety focused on legals during its Thursday, January 12, meet-

ing. City Councilman Bill Curtis stepped up for his first meeting as the new board member to serve alongside Councilman Steve Fuelling

and Mayor John Tucker.

The board approved the low bidder, E & B Paving, for the city's asphalt needs. J.H. Rudolph submitted the only other bid. Street Commissioner Roy Maynard pointed out that E & B Paving was \$4.25 per ton cheaper on asphalt surface applied and \$8.50 per ton cheaper on asphalt base applied.

Maynard received permission to advertise for bids on a new dump truck, snowplow and salt spreader also. He reported that his department had been making payments on three

vehicles—a packer, a dump truck, and a lightning loader. He stated that the last payment was made on the packer in 2011, so a new vehicle can now be purchased. Although a new packer truck is usually purchased each time one is paid off, Maynard said priority should be given to a new dump truck. He noted that the city could purchase a new packer when payments are completed on the existing dump truck.

Although the board took no action on the storm drainage bids for West Elementary School, it was announced that low bidder Blankenberger

met all legal criteria and was expected to receive approval for the project once the specs are reviewed by the engineer. City officials and school district officials plan to meet on Wednesday, January 25, at 10 a.m. to finalize the project.

In other business:

- The board approved use of the city credit card for meal and hotel expenses and the use of a city car when Sgt. Glenn Boyster leaves Feb. 21 for the Indiana Drug Enforcement seminar, held Feb. 22-24 in Indianapolis. The county prosecutor's office pays for the training itself.
- The board approved the use of a city truck by Waste-water Superintendent Rodney Givens and one employee to attend the technical seminar on January 19 hosted by the

Southwest Indiana Sewer Alliance. There is no charge for the seminar.

- The board approved \$720 tuition (\$360 per person) for two employees of the sewer department to take a class at Ivy Tech from Feb. 15 – April 11 in preparation for the wastewater exam.
- The board declared two items as junk in the street department, each item having completed its purpose: an old salt spreader that had been used for parts after being taken off the streets and a 1985 Dodge pickup truck more costly to repair than it's worth.

The Mount Vernon Board of Public Works and Safety will meet again in two weeks on Thursday, January 26, 2012, in the City Hall Annex.

Just minutes after being sworn in, Mount Vernon Clerk-Treasurer Denise Dike swears in the two Mount Vernon City Council members serving on the Board of Public Works and Safety—(L to R) Bill Curtis and Steve Fuelling. Photo by Pam Robinson
